Privacy Policy

Effective Date: [February 14, 2025]

Skill Catalyst we respect your privacy and is committed to protecting your personal information. This Privacy Policy explains how we collect, use, and share your personal data when you use our app, a peer-to-peer skill exchange platform connecting verified computer engineers via chat and video call.

By using the app, you agree to the collection and use of your information as described in this Privacy Policy.

1. Information We Collect

When you register for our app, we collect the following personal information:

- **Username**

- **Email Address**

- **Password**

We may also collect data such as your device's information for authentication purposes, but we do not collect any additional personal or sensitive data.

2. How We Use Your Information

We use the collected information for the following purposes:

- **Account creation and authentication**: To allow you to register and log in to the app.

- **Providing services**: To facilitate the peer-to-peer skill exchange through chat and video calls.

- **Improving user experience**: To enhance the functionality and performance of our app.

- **Security**: To secure user accounts and protect your data from unauthorized access.

3. Data Storage and Security

Your data, including account credentials, is securely stored in Firebase Realtime Database. We take appropriate security measures to protect your personal information from unauthorized access, alteration, disclosure, or destruction.

4. Video Call and Screen Sharing Services

We use **VideoSDK** to provide video call functionality and screen sharing during calls. This service may process audio and video data during the call, but we do not collect or store these media files. VideoSDK's privacy practices can be found in their own privacy policy, which we encourage you to review.

5. Data Sharing

We do not share your personal information with third parties, except as required by law or to protect our legal rights. We do not use your data for marketing purposes or share it with advertisers.

6. Consent

By using the app, you consent to the collection and use of your personal information as described in this Privacy Policy. If you do not agree with our policy, please do not use the app.

7. Children's Privacy

Our app is intended for adults, specifically computer engineers aged 12 and older. We do not knowingly collect personal data from individuals under the age of 12. If we become aware that we have inadvertently collected information from a child under the age of 12, we will take steps to delete that information.

8. Cookies and Tracking Technologies

We do not use cookies or any tracking technologies in our app. The only data stored is your login credentials for easy access to your account.

9. Your Rights

You have the right to:

- Access your personal information stored by us.

- Request corrections to your personal information.

- Request the deletion of your account and personal data (contact us directly).

10. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page with an updated effective date. We encourage you to review this policy periodically to stay informed about how we protect your information.

11. Contact Us

If you have any questions about this Privacy Policy or how we handle your personal information, please contact us at:
